PRODUCT DESCRIPTION

Portola's Matte Wall Sealer is a clear, matte finish that is non-toxic, super durable and will not yellow over time.

Matte Wall Sealer is a multi-purpose acrylic matte sealer designed for use with most Portola products and finishes. Matte Wall Sealer can also be used for sealing wood or concrete. This premium quality product is formulated with ingredients that screen out the destructive ultra violet rays.

SUGGESTED APPLICATION

Portola's Matte Wall Sealer can be used on both interior and exterior surfaces and over most Portola finishes.

LIMITATIONS

Portola's Matte Wall Sealer should not be applied below 50 degrees Fahrenheit. When used externally protect final coat from rain, frost and low temperatures for 48 hours after application.

GENERAL APPLICATION

PREPARATION

Matte Wall Sealer can be applied by brush, roller or spray. For best durability, two coats are recommended. Clean up with water.

FINISH/DURABILITY

Matte finish, wipeable and creates an incredibly durable surface over Portola finishes.

COVERAGE RATES

Portola's Matte Wall Sealer covers up to 400 square feet per gallon on smoother surfaces and up to 150-300 square feet per gallon on rough, textured or porous surfaces.

PACKAGING

Portola's Matte Wall Sealer is available in 1 gallon quantities.

PRECAUTIONS

Keep out of reach of children. Avoid swallowing. Avoid contact with eyes. Provide adequate ventilation. If accidental contact occurs, rinse immediately with water. Store at room temperature in a dark area.

TECHNICAL DATA

Acrylic water based sealer.
